

UNIVERSITY OF  
**GUELPH**  
HUMBER

VIEWBOOK 2025

TORONTO, ON

**GO YOUR  
OWN WAY**

## We acknowledge

The University of Guelph-Humber and Humber College are located within the traditional and treaty lands of the Mississaugas of the Credit. Known as Adoobiigok, the "Place of the Alders" in the Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario lakeshore and the Lake Simcoe/ Georgian Bay regions. Now home to people of numerous nations, Adoobiigok continues to provide a vital source of interconnection for all.

# The Right Choice

## Education that opens doors

We are a university that does things differently. When you come to the University of Guelph-Humber (U of GH), you develop big-picture thinking, hands-on skills and the growth mindset needed for today and tomorrow to become a leader in your field.

We offer you academic excellence from professors who are industry professionals; accessible scholarships; and a supportive learning community.

We take your success personally.

At Guelph-Humber, discover who you are and what you want to become. No matter the path, you can go your own way.

**45**

Average class size

**4,700**

Total student population

**\$5.8m**

In scholarships, awards and bursaries annually

## Study in Toronto

The U of GH campus is in northwest Toronto. Canada's largest, most diverse city and the country's biggest job market is on your doorstep.

## Work experience

Every honours degree program includes workplace experience to ensure you graduate with the know-how to excel in your field. You deserve it!

## Supportive community

You'll get support tailored to your academic and personal needs. Our small class sizes give you access to your professors, and our supportive community means staff are invested in your success.

# Degrees + Diplomas

## What does it all mean?

Universities and colleges offer a variety of credentials. Understanding what U of GH offers you can help you make the right choice.

All courses you take at U of GH are university-level courses. Some courses are taught by University of Guelph professors, and some courses are taught by Humber instructors. And every course earns you university course credit.

### Honours Degree

Typically completed in four years of full-time study and often focuses on a particular discipline. It provides the widest range of options should you wish to pursue postgraduate study.

### Applied Degrees

Applied degree programs focus on a solid foundation in theory and analytical skills. They have a heavier emphasis on practical applications of the concepts learned than a traditional degree.

### Diploma

When you graduate with a diploma, it means you've completed courses and gained technical, hands-on experience you can apply directly in a specific field.

### Honours Degree + Diploma

The university degree and diploma reflect the academic and hands-on education you receive at U of GH.

### 4 Years

As a U of GH student, you complete your honours degree and diploma at the same time, in one location, and graduate in four years.

# Who We Are

The University of Guelph-Humber combines all the best things about a university and a college in Ontario.

## University of Guelph-Humber

The University of Guelph-Humber was the first in Ontario to offer an opportunity to earn both a university honours degree and a diploma in four years, in one location, when U of GH opened its doors in 2002. A collaboration between the University of Guelph and Humber College Institute of Technology & Advanced Learning (Humber), U of GH was founded on the principle of integrating experiential learning opportunities into the traditional

academic curriculum. Providing workplace experience for every student is a core component of every program.

You study in one location, the University of Guelph-Humber building on Humber's North Campus in Toronto. In your four years of study, you will earn an honours degree from the University of Guelph and a diploma from Humber because the curriculum incorporates the learning that leads to each of these postsecondary accomplishments, concurrently.

## University of Guelph

The University of Guelph (U of G) is a leading comprehensive, research-intensive and learner-centred university.

U of G's students, faculty and staff pursue active inquiry and exercise creativity across a range of disciplines: agriculture, arts, humanities, social science, business, computing, engineering, environment, legal studies, science and veterinary medicine. With 30,000+ students, 16 undergraduate degree programs and a \$175-million research enterprise, it is known for excellence in the arts and sciences and for its commitment to developing exceptional thinkers and engaged citizens.

UNIVERSITY  
of GUELPH

## Humber College Institute of Technology & Advanced Learning

As a global leader in polytechnic education, Humber provides in-depth theoretical learning; hands-on, work-integrated experiences; and applied research opportunities to students at three main Toronto locations and beyond.

Extensive industry connections, experienced faculty and a comprehensive range of credentials, including honours undergraduate degrees, Ontario graduate certificates, diplomas, apprenticeships and certificates, prepare career-ready global citizens for success in the future world of work.

Humber takes pride in their alumni success and are with you all the way.

 HUMBER

# Work Experience You deserve it!

A young woman with long blonde hair, wearing a blue Adidas t-shirt and black pants, stands with her arms crossed in an Adidas store. In the background, there is a large white sculpture of a hand holding a shoe, and a sign that says "WE MAKE ATHL BETTER".

**ELYSE M.**

- Border Services Officer

## Graduate school and further education

- Law School (local/international)
- Bachelor of Education (Teachers College)
- Master of Public Administration
- Master of Arts in Political Science
- Master of Arts in Social Justice
- Master of Arts in Criminology & Criminal Justice Policy
- Graduate Certificate in Alternative Dispute Resolution
- Graduate Certificate in Insurance Management – Property & Casualty
- Graduate Certificate in Advanced Investigations & Enforcement

Note: Some careers and entry into further education may require additional study.

**Graduate with a degree that opens doors to multiple career pathways where you can make a difference. Discover where your interests lie in the broad field of justice studies.**

- Learn about the Canadian justice system
- Understand social justice issues, and explore the development of community programs, ways to work with victims and offenders, and methods of crime prevention
- Study diversity, inclusion and equity; mental health and first aid; and globalization
- Build key skills such as critical thinking, research and effective writing
- Learn about various services and how they are delivered, including counselling, conflict resolution, forensics and policing
- Be taught by professors working in the field

## Be career ready

Get the preparation needed for law school, locally or abroad. Our graduates tell us just how well-prepared they were for their studies, standing out among their peers.

Prepare for work in police services, border services and other law enforcement.

- Evaluate staged crime scenes in our crime scene investigation (CSI) room
- Learn investigative techniques and how to handle evidence
- Use mock court to role-play a case

Our student-led extracurriculars offer outstanding hands-on experience. They include the Pre-law Society, Aphi Phi Sigma, moot case competitions and CSI teams.

## Honours Bachelor of Applied Science in Justice Studies

from the University of Guelph

## Diploma in Community and Justice Services or Police Foundations

from Humber

**200**

hours of work experience

Award-winning students in international mooting competitions

Complete **100 hours** of workplace experience in second year and **100 hours** in third year. Past placements include:

- Various police services
- Law offices
- Ministry of the Attorney General
- St. Joseph's Healthcare Hamilton, Forensic Psychiatry Program
- Private investigation/security companies
- Canada Border Services Agency
- Toronto South Detention Centre/Ontario Ministry of the Solicitor General
- Elizabeth Fry Society
- Public Safety Canada
- Toronto Court Services
- Ministry of Children, Community & Social Services
- Special Investigations Unit

Note: You may be required to complete a Vulnerable Sector Screening and/or Criminal Reference Check prior to placement.

## Explore your courses

Popular course: **Investigative Techniques**

- Crime & Criminal Justice
- Forensic Techniques
- Conflict Resolution
- Youth & the Law
- Ethics & the Justice System
- Addictions & Mental Health

Full course list available online.

**My favourite class was the Senior Seminar. I focused on different aspects of victimology throughout the semester and engaged in research, discussion and critical analyses. I gained insight and applied my knowledge through presentations, readings, examinations and research papers.**

**Ruth O.**, graduated 2024

Currently a Law Intern with Kisson Law.

As an aspiring lawyer, Ruth will be applying to law school in 2024 to pursue a Juris Doctor degree.

## Future options include:

### Professional designations

- Registered Kinesiologist
- Certified Strength & Conditioning Specialist
- Clinical Exercise Physiologist
- Certified Personal Trainer
- Certified Pedorthist
- Certified Athletic Therapist

### Additional opportunities

- Occupational Health & Wellness Advisor
- Rehabilitation Therapist
- Researcher
- Fitness Consultant
- Ergonomic Specialist
- Human Resources Specialist

### Graduate school and further education

- Master of Science in Physical Therapy/Physiotherapy
- Master of Science in Occupational Therapy
- Bachelor of Education (Teachers College)
- Bachelor of Nursing
- Master of Science
- Master of Public Health
- Master of Arts in Health Promotion
- Master of Science in Genetic Counselling
- Chiropractic College
- Naturopathic College
- School of Dentistry
- Medical School

**Be eligible to become a Registered Kinesiologist immediately after graduation.**

Note: Some careers and entry into further education may require additional study.

**Open up your world. Dive into a science degree that will get you exploring human movement, health promotion, rehabilitation, research, coaching and fitness.**

Build a scientific foundation that can lead to work with:

- Healthy populations
- Elite athletes
- Individuals with chronic diseases
- People with physical challenges

### Partner theory with practice

- Learn about the human body structure and function; performance; clinical applications of exercise and nutrition theory; and health and fitness assessment
- Study health, injuries and illness
- Couple lectures with labs, where you put theory into practice
- Use state-of-the-art lab equipment, e.g., 3D motion capture system and body fat analysis (Bod Pod)

**Learn anatomy in a human cadaver lab in your first year.**

## Honours Bachelor of Applied Science in Kinesiology

from the University of Guelph

## Diploma in Fitness and Health Promotion

from Humber

**1,000+**

hours of hands-on learning

**25**

students or less per lab

**2**

anatomy courses

## Work experience

Complete **88 hours** of work placement in third year. And you have the option to gain another **154 hours** of experience at a second placement in fourth year. Past placements include:

- Athletic and varsity programs
- Cardiac rehabilitation facilities
- Corporate wellness departments
- Multidisciplinary clinics (e.g., UHN & CBI)
- NeuroChangers Neurological Rehabilitation
- Clinical hospital settings
- SickKids
- Various school boards
- Wellspring (Cancer Support Network)
- YMCA

Note: You will be required to complete a First Aid/CPR certificate and may be required to complete a Vulnerable Sector Screening and documentation of immunization prior to placement.

## Explore your courses

93% of your courses are kinesiology focused.

Popular course: **Human Anatomy**

- Health Counselling & Behaviour Change
- Fundamentals of Nutrition
- Biomechanics
- Exercise Physiology
- Injuries & Exercise Contraindications
- Digitizing Health & Society

Full course list available online.

**Hands-on experiences were a hallmark of my education at GH and stood out for their interactive and practical approach to learning. While lectures provided a solid foundation of knowledge, it was in the labs and placements where we applied what we learned in a real-world context and bridged the gap between theory and practice.**

**MaryAkos A., graduated 2024**

As an award-winning multi-sport athlete, Mary is pursuing a future in competitive sports. She is currently one of about 100 athletes who compete at RBC Training Ground to (hopefully) join Team Canada. While at U of GH, Mary played two seasons for Humber Hawks Women's Rugby team and joined the Guelph Gryphons Women's Wrestling team in 2023/24.

# Media & Communication Studies

## Future options include:

- Campaign Strategist
- Brand Manager
- Communications Coordinator
- Content Creator
- Print/Web/Video Editor
- Photographer
- Videographer
- Account Director
- Podcaster
- Market Researcher
- Graphic Designer
- Communications Consultant
- Social Media Analyst
- Entrepreneur
- Communications & External Relations Director
- Crisis Communications Manager

## Graduate school and further education

- Master of Arts in Communications
- Master of Journalism
- Master of Arts in Media Production
- Bachelor of Education (Teachers College)
- Law School
- Master of Marketing
- Master of Management
- Master of Digital Media

Note: Some careers and entry into further education may require additional study.

**Media and communications are the lifeblood of organizations; it's how they interact with audiences, influence opinion, sell products and help people learn about and live in the world.**

As a media and communications professional, every organization needs you.

Become proficient in content creation and develop a media skillset invaluable to a range of employers.

Community engagement plays a large role in the projects you'll complete, whether through work experience and/or the fourth-year capstone project Emerge.

### Emerge

Imagine yourself in fourth year, working on a six-month communications solution for a community-based organization. Students have partnered with:

- Sunshine Therapy Dogs
- Toronto International Film Festival
- Women & Children's Shelter of Barrie
- Cambridge Food Bank
- Lake of the Woods Hospital Foundation

### Specializations

You can choose to focus on one of three specializations:

- Digital Marketing & Social Media
- Media Business & Management
- Visual Communication

You also have the option not to specialize and pursue a broader path of study.

## Honours Bachelor of Applied Arts in Media and Communication Studies

from the University of Guelph

## Diploma in Media Communications

from Humber

**240**  
hours  
of work  
experience

Award-winning  
students in  
international  
competitions

## Work experience

Complete **240 hours** of workplace experience. Past internships include:

- Amsterdam Brewing Company
- Bell Canada
- Canadian Tire Corporation
- Corus Entertainment
- Government of Canada
- Maple Leaf Sports & Entertainment
- National Ballet of Canada
- Pinch Social
- SickKids
- Special Olympics Ontario
- Stratford Festival
- Universal Music Canada
- Walt Disney Studios Canada

## Explore your courses

Popular course: **Social Media Strategies**

- Journalism & Digital Storytelling
- Marketing & Public Relations
- Crisis Communication & Reputation Management
- Audio Storytelling
- Graphic Design
- Art Direction & Production Design

Full course list available online.

## Research

You may choose to complete and present an undergraduate thesis (after year three) to apply research principles, build your presentation skills and prepare for graduate studies.

**We loved connecting with others and shaping our journey at GH. The vibrant campus culture and tight-knit community enriched our experience and developed skills key to our current work: leadership, personal advocacy, teamwork and confidence. GH has so many avenues to explore!**

**Maya M. & Megan R.**, graduated 2021  
Co-founded The Why Not Agency, a social media marketing agency. They are passionate about helping brands and entrepreneurs tell their unique, diverse and inclusive stories online.

## Future options include:

- Behaviour Therapist
- Case Manager
- Group Facilitator
- Human Resources Specialist
- Mental Health Worker
- Neuroscientist
- Psychologist
- Psychometrist
- Psychotherapist
- Rehabilitation Counsellor
- Research Analyst

## Graduate school and further education

- Master of Science in Psychology
- Master of Arts in Psychology
- PhD in Psychology
- Medical School
- Master of Social Work
- Master of Education
- Bachelor of Education (Teachers College)
- Law School
- Master of Arts in Counselling Psychology
- Master of Science in Forensic Psychology
- Master of Arts in Clinical Psychology
- Master of Science in Neuroscience

Note: Some careers and entry into further education may require additional study.

## Explore the options psychology offers, and open up a world of careers. Find the right fit for you.

### Examine:

- Theories and research exploring human thought, feeling and behaviour
- Processes and factors that shape who we become through the study of cognition, emotion and mental health
- Technology's application in psychology, e.g., electroencephalography (EEG - in photo above) and galvanic skin response (GSR) readers

A minimum of 70% of your core courses are psychology courses; they expose you to the breadth of psychology.

### Specializations

You may choose to specialize in one of three areas:\*

- Psychology of Business
- Psychological Data Analytics
- Sports Psychology

\*Subject to Senate approval.

# Honours Bachelor of Applied Science in Psychology

from the University of Guelph

# Diploma in General Arts & Science

from Humber

**100**  
hours of work experience

Present research at the Annual U of GH Psychology Conference

**2**  
psychotherapy courses

## Work experience

Complete a minimum of **100 hours** of workplace experience. Past placements include:

- Addiction Rehab Toronto
- Alzheimer Society of Toronto
- Hamilton Health Sciences (Hospital)
- Family Psychology Centre
- Canadian Psychological Association
- Certified Listeners Society
- Holland Bloorview Kids Rehabilitation Hospital
- Compass Community Services
- Ontario Correctional Institute
- Rexdale Women's Centre

Note: You may be required to complete a Vulnerable Sector Screening prior to placement.

## Explore your courses

Popular course: **Theories of Psychotherapy**

- Indigenous Mental Health
- Applied Memory & Learning
- Personality
- Drugs & Behaviour
- Psychology & Gender
- Culture & Diversity

Full course list available online.

## Research

Get a solid start in research, which can be an advantage in graduate school. Take the fourth-year thesis course to complete undergraduate research with a ton of staff support to show you the ropes. Placement + Thesis = Graduate School Ready

I came to the University to get some experience in psychology before I graduated... to help guide me as I learned more about myself and the field. My placement at CAMH honed my research skills for my fourth-year thesis. I used the transferable skills from that in my graduate school program and as a result had a hand in valuable child-centred research.

**Suneil B.**, graduated 2022

Learning Officer at the Public Health Agency of Canada. Recently completed a Master of Arts in Child Study & Education, OISE, University of Toronto.

# More Opportunity

Expand your world of study.

## Current expert knowledge

Our professors keep one foot in the classroom and one in their field to offer you current perspectives and knowledge, and connect you to professionals.

## Research as an undergraduate

Get to know the many research opportunities inside and outside of class. Conduct research as a Research Assistant with instructors funded by the University's Research Grant Fund.

- Apply classroom knowledge
- Develop research skills such as data collection, analysis and project management
- Contribute to research publications

## Competitions and conferences

Make an impact and gain hands-on experience through competitions and attending conferences in your area of study. Being involved gets you out in the field, networking, using your skills, honing your talents and earning recognition.

## Study abroad

Travel outside of Canada and earn credit through instructor-guided study tours. Because all Study Abroad courses are partially subsidized by the University, opportunities are within reach. You may also be eligible for a U of GH travel grant.

## After graduation

Take advantage of our partnerships for further education:

- LLB with The City Law School (London, England)
- LLM with University of London (distance learning)
- MSc in Management with the University of Guelph (Guelph, Ontario)
- MSc in Management/Consultancy/Sustainability/Entrepreneurship with Manchester Metropolitan University (Manchester, England)

# University of Guelph

The education you need, for the life you want.

Located an hour outside Toronto, in one of Canada's safest cities, you'll find a picturesque campus, where learning and discovery thrive. We prepare you for whatever the future brings so you can find success in your education, career and life.

## Choose the University of Guelph and get Future Ready.

The University of Guelph offers 16 degree programs designed to deliver an experience that integrates broad-based learning with concentrated study in specialized and applied fields:

- Bachelor of Applied Science
- Bachelor of Arts
- Bachelor of Arts and Sciences
- Bachelor of Bio-Resource Management
- Bachelor of Commerce
- Bachelor of Computing
- Bachelor of Creative Arts, Health and Wellness
- Bachelor of Engineering
- Bachelor of Indigenous Environmental Science and Practice
- Bachelor of Landscape Architecture
- Bachelor of Mathematics
- Bachelor of One Health
- Bachelor of Science
- Bachelor of Science in Agriculture
- Bachelor of Science in Environmental Sciences
- Doctor of Veterinary Medicine

Explore 75+ majors in career-focused disciplines, all taught by our outstanding faculty.

### Careers

If you can dream it, there's a University of Guelph graduate doing it!

- Doctors and engineers
- Researchers
- Technology developers
- Marketers
- Agri-producers
- Food technologists
- Not-for-profit world changers
- Pro athletes
- Artists
- Writers
- Olympians
- Entrepreneurs

### Campus experience

- 30,000+ students from more than 135 countries choose U of G every year
- The U of G campus experience consistently ranks among Canada's best—and our food service is #1

UNIVERSITY  
of GUELPH

[admission.uoguelph.ca](https://admission.uoguelph.ca)

**We take your success personally.**

**No matter your path, we're here to help at every turn.**

# Your Support Team

U of GH has a unique, supportive community. Talk to us. Visit. And you'll understand.

Your small classes will have a huge impact on learning.

- Your classmates will know you
- You'll move through each year with the same group of students
- You'll know your professors, and they'll know you

## Easy access to assistance

We are a caring and connected community. Our small population means we are a step/email/phone call away. We're here to help with:

- Transitioning to university life
- Financial advice
- Course selection/program requirements
- Academic planning/scheduling
- Health and wellness

We are dedicated to fostering an inclusive environment. Take advantage of all student services to support your growth and enjoyment of your time with U of GH, be it related to physical, medical or mental health, personal matters, academic assistance or finding a place to belong.

### Academic

- Academic Advisors
- Field Placement Coordinators
- Career Services Coordinators
- Financial Services
- Program Chairs
- Accessibility Services
- Math Centre
- Writing Centre
- Alumni Mentorship
- Liaison Librarians

### Diversity

- LGBTQ+ Resource Centre
- Black Student Support & Engagement
- Indigenous Education & Engagement
- Spirituality & Wellness Rooms
- International Centre

### Well-being

- Counselling
- Health Services
- Aboretum
- Personal Care Services

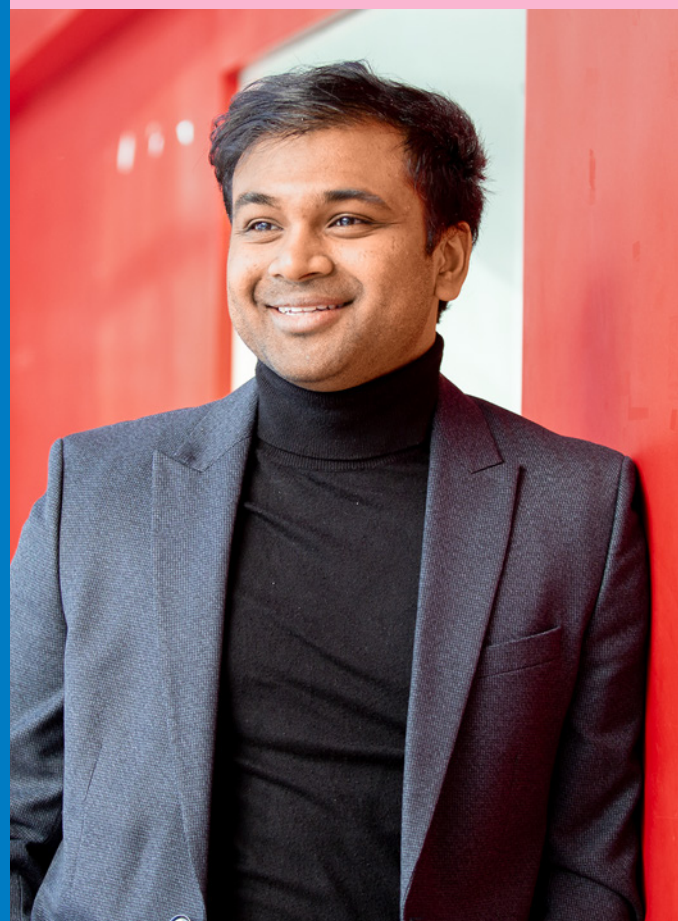

### Student to Student

- First Year Experience Leaders
- Peer Tutoring
- Career Support Peers
- Learning Support Peers
- START Leaders
- Student Services Support Peers
- Computer Support

## Mental health matters

You will have access to free, private and confidential counselling services led by professional clinicians. You'll be supported as you explore challenges affecting your well-being and mental health. Your counselling team works closely with other support services on campus.

# Careers Start Here

Launch your career right away at U of GH.

We are here to provide one-on-one advising to help you:

- Build confidence
- Clarify your goals
- Develop professional skills
- Find your placement
- Search for jobs and network
- Advise on post-graduate planning

## Be career-ready

Take advantage of hands-on:

- Career fairs with employers looking to hire
- Resumé and interview workshops
- Graduate school application workshops
- LinkedIn sessions
- CliftonStrengths
- Alumni mentorship

“ “ “

**[U of GH placement] students showed great professionalism and compassion when working for our organization. From day one they showed respect and initiative, and were such a pleasure to mentor.**

” ” ”

**Creating Alternatives,**  
work placement employer

## Work on campus

There are hundreds of jobs on campus, from athletics to office admin. Program-specific jobs include CSI Assistant, ECS Resource Centre Coordinator and Kinesiology Lab Technician Assistant.

Work around your class schedule to earn money, valuable experience and network.

# Campus Life

Whatever your passion, use it to get involved.

## First Year Experience (FYE) program

Start off your transition to university in June with a group of first-year students in your program. Your FYE Leader (a senior student) will be your mentor through your first year.

Participate in programs and events, such as Orientation, designed for you to meet people and get acquainted with everything U of GH.

## Societies, clubs, student government

Go beyond your classes. Participate in activities that inspire you and build your resumé in societies, clubs, student government and other campus groups/events. Become a member or take a leadership role, such as Vice-President of Communications or President in a club or society.

A great way to meet people who share your passions. Whether your intention is to kick back and have fun or to take a more serious interest, doing things outside class is a win-win.

## Commuting

Need options for travelling to campus? You can cross the city with Brampton, GO, MiWay, TTC and York Region public transit to get to class. Paid parking is also available.

# Active Living

Take a break from studies and get active.

Whether it's a tough game against another team, a fun swim in the pool or a quiet walk in the Arboretum, we've got something for everyone.

“ “ “

I enjoyed playing extramural Ultimate because it allowed me to get involved outside of the classroom. I've met a lot of incredible people and made friendships that I will cherish for the rest of my life!

**Mishaal S.,**  
Business graduate

” ” ”

## Athletic Centre

Head to the Athletic Centre for facilities including:

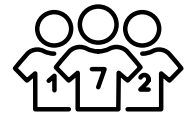

- Aerobic studio
- Gymnasiums
- Multipurpose sports fields
- Pool
- Weight and cardio room

Sign up for your favourite activities alone, as a group or on a team.

Try something new.

- Extramural leagues
- Intramural leagues
- Fitness classes
- Special events

Enjoy adaptive and inclusive recreation:

- Audible Indoor Soccer/ Goalball
- Floor Curling
- Sitting Volleyball
- Wheelchair Sport/Boccia

## Varsity athletics

Compete against other universities or colleges. You can try out for the Humber Hawks (on campus) or University of Guelph Gryphons (in Guelph).

[humberhawks.ca](http://humberhawks.ca)

[gryphons.ca](http://gryphons.ca)

# Residence

Live minutes away from class.

Join others like yourself moving to attend university. Residence is home to roughly 1,000 students (from Humber and Guelph-Humber) in three buildings bordering the Humber River. (You might see a deer in your back window.)

## On-campus living includes:

- A single room (with shared bathrooms) for first-time residents
- A two-minute walk to class, health and fitness facilities, library, study spaces and other resources
- Co-ed or gender-specific floors
- Dining plans (required) with four sizes available
- Two community kitchens
- Wifi in all rooms
- Exercise room
- Recreational space
- Dining hall
- Laundry facilities
- Transit terminal at your door

## Applying to residence

You can only apply for residence once you have an offer of admission. You apply online through Humber's residence web page.

Priority for first-year applicants is given to those who live more than 25 kilometres from campus. Spaces are allocated on a first-come, first-served basis until filled or until **June 2, 2025**, whichever comes first.

Residence applications for fall open online on **February 1, 2025**. The deadline to apply is **June 2, 2025**. For more residence information, visit [humber.ca/residence](https://humber.ca/residence) and look for Guelph-Humber applicant information.

Discover **new friends**, **new experiences** and make **lifelong memories**.

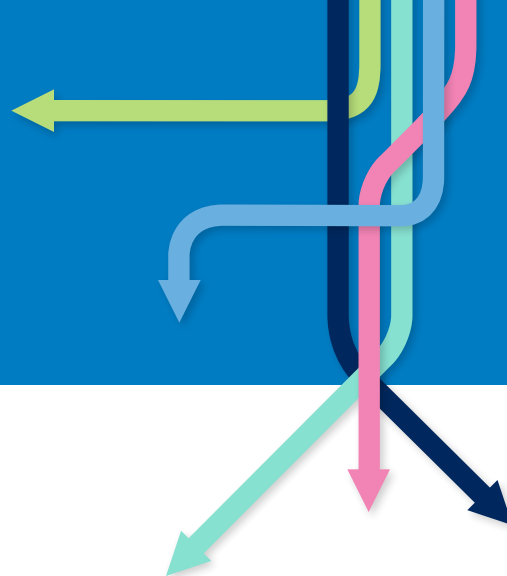

[humber.ca/residence](https://humber.ca/residence)

# Rewards

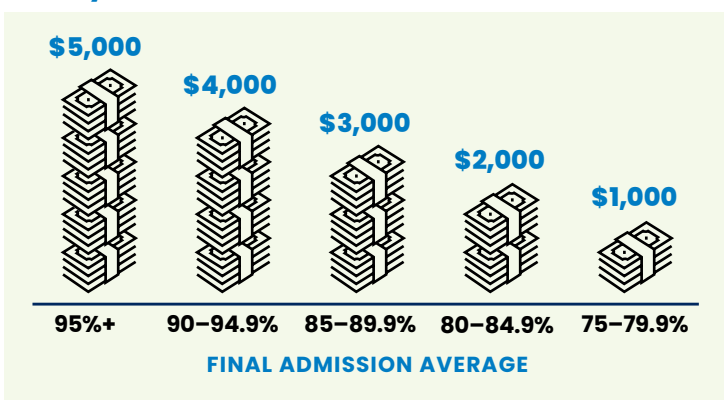

Scholarships, bursaries and awards are a great way to support your education expenses.

For a student population of **4,700**, we allocate up to **\$5.8 million** annually for scholarships, awards and bursaries!

For full details and conditions for all of our entrance scholarships, bursaries and awards, please visit our website.

# Take advantage of our generous scholarship program.

Amount	Name	Details	Eligibility	Award Application
--------	------	---------	-------------	-------------------

## Canadian Applicants

<b>\$36,000</b>	<b>Founders' Academic Merit Scholarship</b>	<ul style="list-style-type: none"> <li>• \$9,000 each year</li> <li>• Renewable for up to three additional years</li> <li>• 10 available each year</li> <li>• Apply by <b>Jan 25, 2025</b></li> </ul>	<ul style="list-style-type: none"> <li>• Must have minimum 90% admission average</li> <li>• Must demonstrate superior leadership</li> </ul>	Yes
<b>\$20,000</b>	<b>Vice-Provost Entrance Scholarship</b>	<ul style="list-style-type: none"> <li>• \$5,000 each year</li> <li>• Renewable for up to three additional years</li> <li>• One awarded per program</li> </ul>	<ul style="list-style-type: none"> <li>• Student with the highest final admission average for the respective program</li> </ul>	No
<b>\$2,000</b>	<b>Registrar's Need-Based Entrance Bursary</b>	<ul style="list-style-type: none"> <li>• Apply by <b>April 15, 2025</b></li> </ul>	<ul style="list-style-type: none"> <li>• Awarded based on demonstrated need</li> </ul>	Yes
<b>\$2,000</b>	<b>Diversity Entrance Bursary</b>	<ul style="list-style-type: none"> <li>• Apply by <b>April 15, 2025</b></li> </ul>	<ul style="list-style-type: none"> <li>• Awarded based on demonstrated need</li> </ul>	Yes
<b>\$1,000</b>	<b>Specialist High Skills Major Entrance Award</b>	<ul style="list-style-type: none"> <li>• Can receive with other scholarships/awards</li> </ul>	<ul style="list-style-type: none"> <li>• Must have completed one of the required SHSMs; see website</li> <li>• Minimum final admission average of 80%</li> </ul>	No

## International Applicants

<b>\$20,500</b>	<b>International Student Entrance Scholarship</b>	<ul style="list-style-type: none"> <li>• First-year award ranges from \$4,500 to \$8,500</li> <li>• Eligible to receive \$4,000 for up to three renewal years</li> </ul>	<ul style="list-style-type: none"> <li>• Admission average of 75%+</li> </ul>	No
<b>\$2,000</b>	<b>International Academic Achievement Entrance Scholarship</b>	<ul style="list-style-type: none"> <li>• Awarded for your first year only towards tuition</li> </ul>	<ul style="list-style-type: none"> <li>• Successful completion of an IB diploma or GCSE with a minimum of 2 A-levels</li> </ul>	No
<b>\$1,000</b>	<b>University of Guelph-Humber Study in Canada Scholarship</b>	<ul style="list-style-type: none"> <li>• Awarded for your first year only towards tuition</li> </ul>	<ul style="list-style-type: none"> <li>• Admission average of 75%+</li> </ul>	No

All scholarship, awards and bursaries are applied towards your tuition and fees. Please see our website for full details of each award for conditions, eligibility and applications. The Renewable Entrance Scholarship, Founders' Academic Merit Scholarship and Vice-Provost Entrance Scholarship cannot be awarded together. You can be awarded only one of the three scholarships. The Registrar's Need-Based Entrance Bursary and Diversity Entrance Bursary cannot be awarded together. You can receive only one of the two bursaries.

## How to find additional funding

- Research government programs, such as the Ontario Student Assistance Program ([ontario.ca/osap](http://ontario.ca/osap))
- Look into scholarships offered by employers of your family and friends
- Search online for websites that promote scholarships for postsecondary education based on a range of factors (not only academics)

### In-course awards

Check online at [guelphhumber.ca](http://guelphhumber.ca) to see our full range of awards.

# Tuition, Fees & Other Costs

University is an investment in your future. Knowing the costs can help you plan ahead and meet your goals.

## Ontario tuition and fees

Item	Tuition/Semester	Student Fees/Semester	Total Academic Year
Business	\$4,255	\$625	\$9,760
All other programs	\$3,045	\$625	\$7,340

## Out of province tuition and fees

Item	Tuition/Semester	Student Fees/Semester	Total Academic Year
Business	\$4,926	\$625	\$11,102
All other programs	\$3,526	\$625	\$8,301

## International tuition and fees

Item	Tuition/Semester	Student Fees/Semester	International Health Insurance	Total Academic Year
Business	\$18,290	\$625	\$420	\$38,250
All other programs	\$15,917	\$625	\$420	\$33,503

Note: International tuition and fees are listed in Canadian dollars.

Visit our web page for more information, such as a complete list of fees.

Refer to our website to check your eligibility and definitions for each type of tuition.

## Payment timeline

To help you spread the cost of tuition over the year, tuition is paid by semester.

All values are only estimates based on 2024–25 rates and therefore subject to change. Other fees/costs may apply. Living and other expenses are based on a full academic year.

## Living expenses

### Residence

Single-style room: \$8,153

### Dining Plans

Plan	Cost
Silver	\$2,850
Gold	\$3,400
Platinum	\$4,000
Diamond	\$4,600

## Other expenses

Everyone's needs vary. Below is a list of estimated costs for education-related expenses. Use those that apply to you to help estimate your financial needs.

### Textbooks

Estimate \$1,300

### Public Transit

Costs vary.  
Estimate \$564 to \$1,540  
for travel Sept to April.

### Parking Permit

\$418 to \$578

**Be at the crossroads of  
communities – Toronto,  
Brampton, Peel and Vaughan**

# Toronto

**Explore  
opportunities  
in Canada's  
largest city**

# Admission Terminology

**Admission average:** For high school applicants, your admission average is calculated using your top six 4U/M courses (or equivalent), including your subject requirements. When all 4U/M grades are not available, we use a combination of your top six completed or in-progress 4U/M and completed 3U/M courses, including required subjects, for all rounds of offers.

**Estimated cut-off admission range:** Estimated cut-off ranges are based on the admission averages from previous years and are provided as a point of reference. Exact cut-offs for the current admission cycle will be determined by the quantity and quality of applications received and the number of spaces available in the respective program. Possession of an admission average within the estimated cut-off range does not guarantee an offer of admission. If you have been educated outside of Canada, your eligibility will be assessed on an individual basis.

**Offers of admission:** Offers are sent on an ongoing basis from December until the end of May. All applicants will receive an admission decision by **May 29, 2025**. Your final grades, once received, must fulfill the conditions of your offer. Ontario and BC high school applicants can check the grade data sent through their OUAC account.

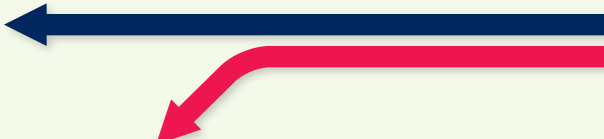

**Student Profile (SP):** The Student Profile offers you an opportunity to tell us about factors that may have impacted your grades. You are encouraged to complete the SP if your average is within a discretionary range of the determined cut-off (up to 5%).

**Supplementary Information Form for Students with Disabilities (SIF-D):** If you identify as a student with disabilities and your admission average does not meet the cut-off for the program to which you have applied, your SIF-D may be considered if your average is within a discretionary range of the determined cut-off (up to 5%). Optional to complete.

For full details and to complete your SP or SIF-D, visit our website.

Deadline:  
**MARCH 1, 2025**

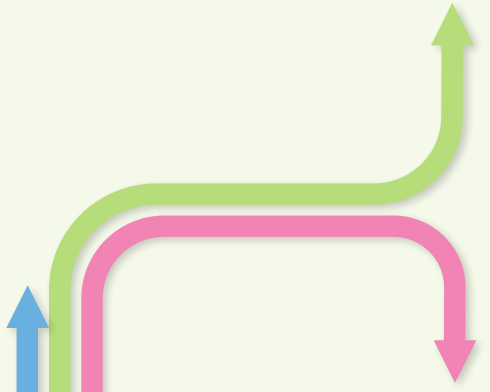

**Repeated courses, summer school, night school and correspondence:** The University will use the highest grade reported for Grade 12 courses taken at a Ministry-approved school prior to June 2025, regardless of format.

**Deferrals:** Application available in June; please visit our website for detailed deferral information.

**English language requirements:** If your first language is not English, or if you have completed less than four years of study in English at the secondary (or postsecondary) level, then you are required to submit proof of English proficiency. For full details, please visit our website.

You will receive an email with detailed instructions (after you apply) if you are required to demonstrate English proficiency as part of your application.

## International Baccalaureate (IB)

- Minimum academic score of 24
  - Reported bonus points will be taken into consideration
  - Three Higher Level and three Standard Level courses, including specific subject requirements for the program to which you are applying
  - Any Higher Level or Standard Level mathematics course is acceptable for programs that require math
  - You are eligible to receive a maximum of 2.0 credits for grades of 5 or better on Higher Level courses.
- 

# How to Apply

## 1 Check admission requirements

Verify your admission requirements for your program of interest based on your applicant type (see pages 38 to 42).

## 2 Apply online

Go to the Ontario Universities' Application Centre (OUAC) website, [ouac.on.ca](http://ouac.on.ca), to complete the Undergraduate Application. The OUAC website provides you with video tutorials about how to apply, FAQs and other resources.

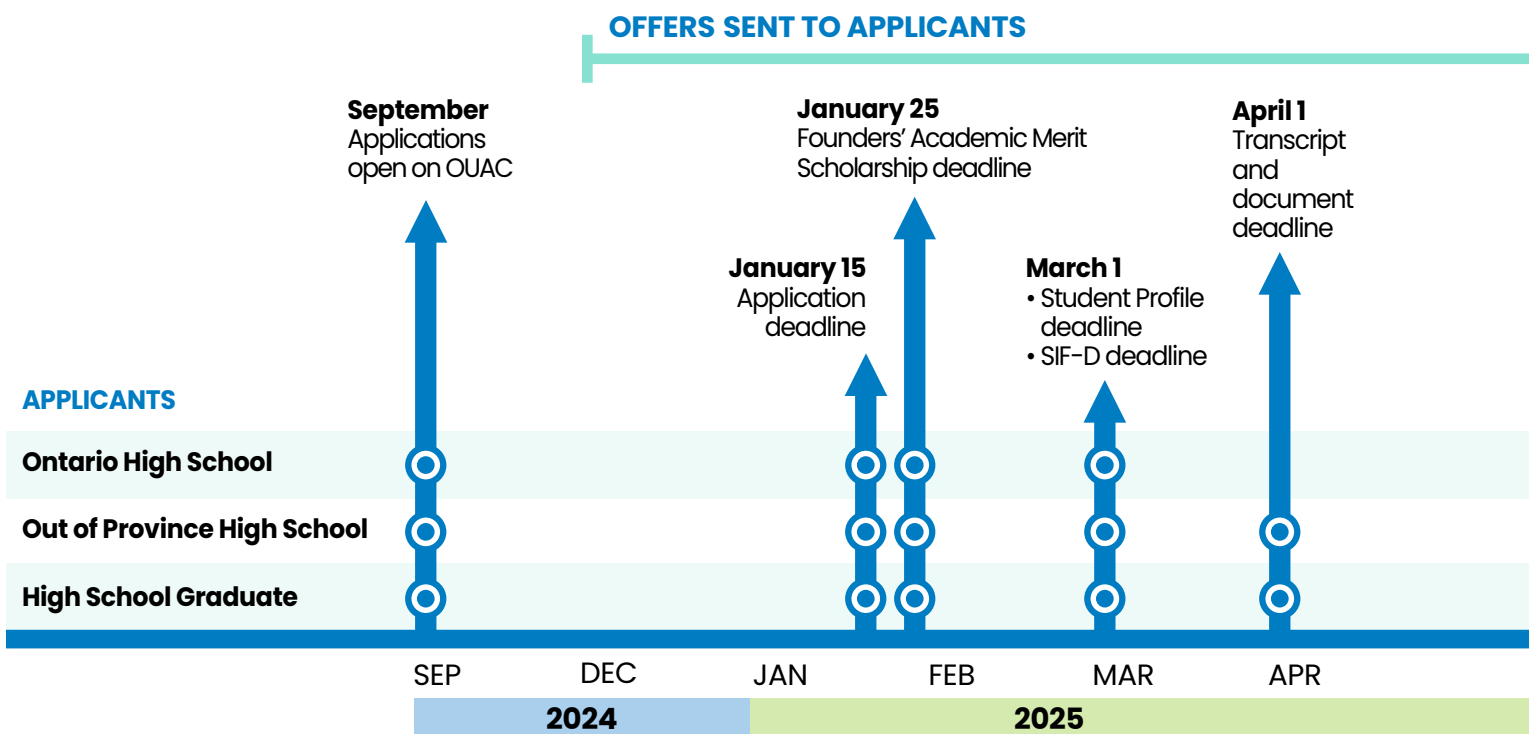

Check your application deadline based on your applicant type (see timeline below and pages 38 to 42).

### Applying to more than one program

If applying to postsecondary studies for the first time and you select more than one program at U of GH, you will be considered for all programs.

## Application Timeline

Timeline is for the Canadian applicants listed below. International applicants, please visit our website for international timelines.

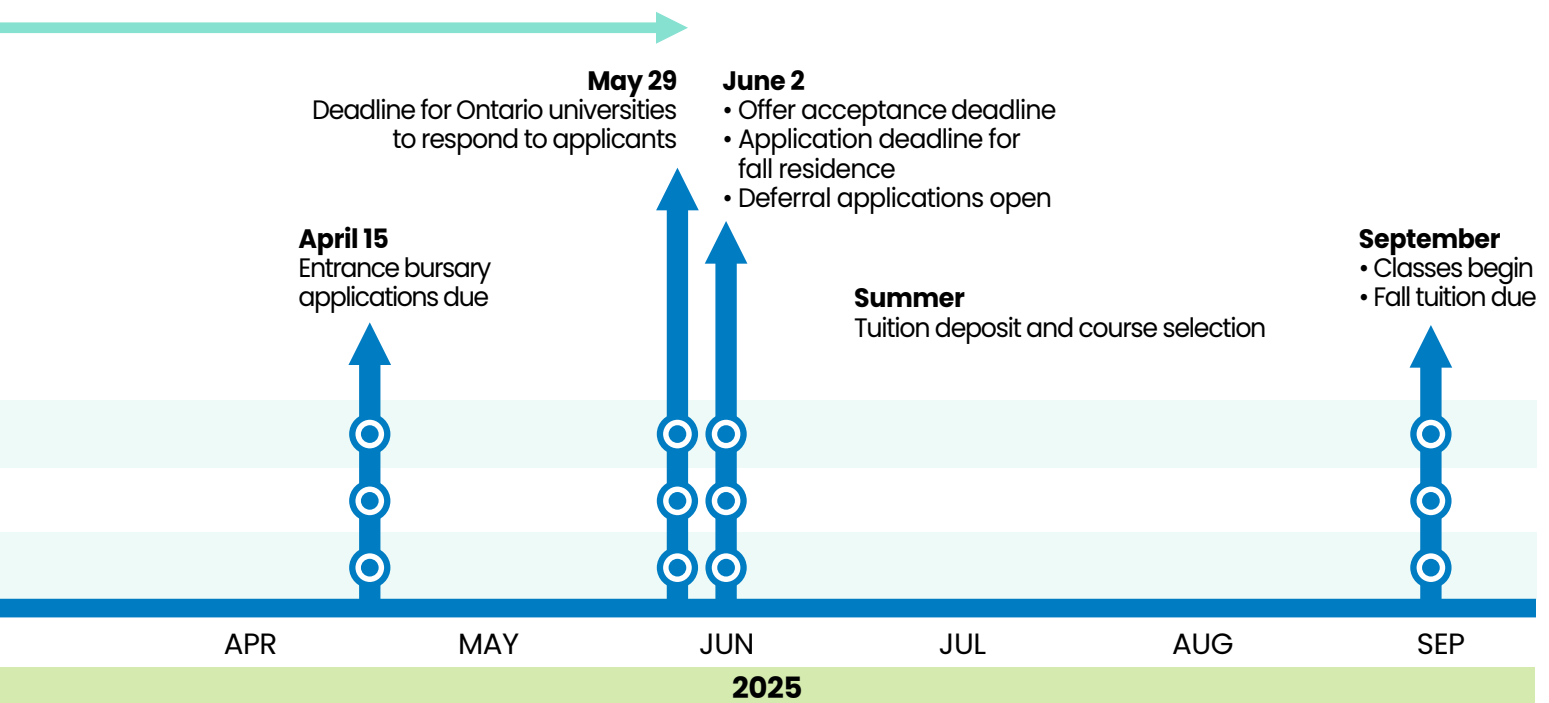

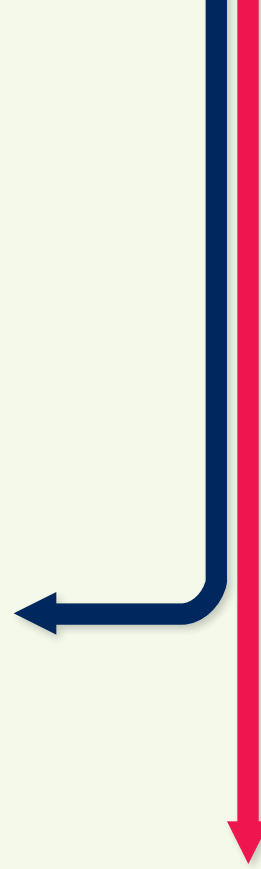

# 3 Read your email/ check our website

Admissions staff may email you about important documents or other information. Please read your emails to stay up to date on admission requests.

Please check our website for information about after applying.

Details include:

- Applying for residence
- Submitting supplementary information
- Applying for scholarships and bursaries

# Ontario High School

## Applicant Admission Requirements

To be considered for admission, you must:

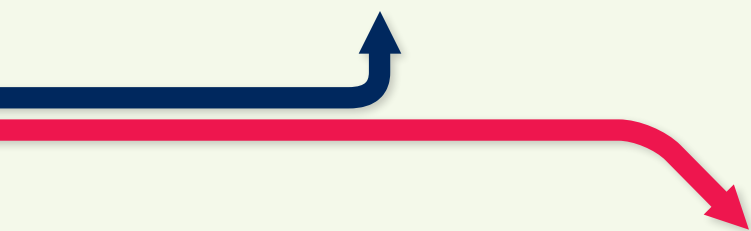

- Be completing your Ontario Secondary School Diploma (OSSD) in 2024–25,
- Be completing six 4U/M courses, including the subject requirements noted in the chart below. These will be used to calculate your admission average.

**Minimum  
70% admission average  
to apply.**

Program	OUAC Code	Subject Requirements	Estimated Cut-Off Range
Business	GDB	<ul style="list-style-type: none"> <li>• ENG4U*</li> <li>• Any 4U math</li> <li>• Four additional 4U/M courses</li> </ul>	75–80%
Early Childhood Studies	GHE	<ul style="list-style-type: none"> <li>• ENG4U*</li> <li>• Five additional 4U/M courses</li> </ul>	75–80%
Justice Studies	GMP	<ul style="list-style-type: none"> <li>• ENG4U*</li> <li>• Five additional 4U/M courses</li> </ul>	75–80%
Kinesiology	GHK	<ul style="list-style-type: none"> <li>• ENG4U*</li> <li>• Any 4U math</li> <li>• SBI4U</li> <li>• Three additional 4U/M courses</li> </ul>	75–80%
Media and Communication Studies	GMT	<ul style="list-style-type: none"> <li>• ENG4U*</li> <li>• Five additional 4U/M courses</li> </ul>	75–80%
Psychology	GMA	<ul style="list-style-type: none"> <li>• ENG4U*</li> <li>• Five additional 4U/M courses</li> </ul>	75–80%

Note: (a) The non-academic component of 4U/M co-op courses is not considered for admission requirements. (b) Courses valued at 1.5 credits or greater will be considered equivalent to one credit. (c) The University will accept any course approved by the Ministry of Education.

\*EAE4U and FEF4U are considered equivalent to ENG4U.

**Grades:** Your grades will automatically be sent to the University from the OUAC on an ongoing basis.

Please refer to pages 34 to 37 for details on:

- Student Profile and/or Supplementary Information Form for Students with Disabilities
- International Baccalaureate
- English language requirements
- Application timeline

### Important Dates

Application Deadline:  
**JAN 15, 2025**

Student Profile / SIF-D Deadline:  
**MARCH 1, 2025**

Deadline to accept your offer:  
**JUNE 2, 2025**

# Transfer

## Applicant Pathways

Are you considering college? Not sure if university is right for you? Keep in mind that transferring to the University of Guelph-Humber is an option.

For a complete breakdown of current program information and deadlines, please visit our website or request a copy of our *2025 Transfer Applicant Guide*.

### College Block Credit Transfer Pathways

Our college block credit transfer pathways allow you to move seamlessly with your college diploma into our honours degree programs. Please view the chart below to determine which diplomas will reduce the time towards your degree!

This is a great option if:

- You will have a completed diploma from a recognized Ontario college or postsecondary institution in Canada, and
- You meet the admission requirements for the year you wish to start your studies

#### Transfer credit

- Approximately one year of full-time study or 10 courses are equivalent to 5.0 credits
- Approximately two years of full-time study or 20 courses are equivalent to 10.0 credits

Program	Eligible Diplomas	Block Credit
Business	Accounting; Business Administration; Finance; Management; Management and Entrepreneurship; or Marketing	<ul style="list-style-type: none"> <li>• Up to 1 year of credit for 2-year diploma</li> <li>• Up to 2 years of credit for 3-year diploma</li> </ul>
Community Social Services	Child and Youth Care; Developmental Services Worker; or Social Service Worker	• 2 years of credit for 2- or 3-year diploma
Early Childhood Studies	Early Childhood Education	• 2 years of credit for 2-year diploma
Justice Studies	Paralegal	• Up to 1 year of credit for 2-year diploma
	Community and Justice Services; Police Foundations; or Protection, Security and Investigation	• 2 years of credit for 2-year diploma
Kinesiology	Fitness and Health Promotion; or Health, Wellness and Fitness	• 1 year of credit for 2-year diploma
Media and Communication Studies	Advertising and Marketing Communications/ Management; Journalism; Media Communications; or Public Relations	<ul style="list-style-type: none"> <li>• Up to 1 year of credit for 2-year diploma</li> <li>• Up to 2 years of credit for 3-year diploma</li> </ul>
Psychology	General Arts and Science	• Up to 1 year of credit for 2-year diploma

### General Transfer Pathway

If you have a degree, diploma or coursework from a college or university not referenced in the chart above, you may be eligible for admission and transfer credit into one of these six full-time programs:

- Business
- Community Social Services
- Early Childhood Studies
- Justice Studies
- Media and Communication Studies
- Psychology

Your completed postsecondary coursework will be assessed for relevance and credit awarded where applicable, once you have applied.

# Out of Province

## High School Applicant Admission Requirements

To be considered for admission, you must:

- Be completing your secondary school diploma, and
- Meet the respective admission requirements for your province/territory, including subject requirements. Please visit our website for details.

**Minimum 70% admission average to apply.**

### Important Dates
