Does the University of Guelph-Humber meet the Chartered Professional Accountants of Ontario Professional Education Program prerequisite requirement?

This planning document is applicable for students considering a career as a CPA and meets the CPA requirement for admission into the Professional Education Program (PREP). These prerequisites include an undergraduate degree and specific subject area coverage, found by visiting www.cpaontario.ca (CPA Certification Program > Prerequisite Education > CPA PREP)

Please note that all courses within a given module must be completed at the same CPA recognized post-secondary institution (as of October 2014).

In addition, students wishing to achieve the CPA designation will be required to complete additional courses post-graduation.

The requirements of the professional accounting associations are subject to change and students are responsible for determining the requirements of the associations. It is recommended that students obtain written confirmation from the associations prior to registering in courses. Transfer students are strongly encouraged to confirm with their designating body of interest, the process for determining credit for courses completed at more than one post-secondary institution.

What general electives should I take and when should I take them?

Choose your general electives in subjects that interest you, from the published "Electives" list, under "Course Schedules." Different electives are offered in different semesters and these will be noted in time for course selection. Students must incorporate four general electives (2.0 credits), into their program plan.

Can I take a business course as a general elective?

No. General electives are designed to give students depth and breadth in their studies and provide an opportunity for business students to take courses with students in other programs.

Am I required to take my general electives at Guelph-Humber?

Letters of Permission may be available in order for you to take general electives at another institution. Please see one of the Learning Support Peers for details.

I am a transfer student. How do I know which courses I can select?

Transfer Students should use this document, in collaboration with their official credit assessment to determine which courses they have the required pre-requisites to select. Transfer students should meet with their Academic Advisor in advance of course selection dates to confirm their schedule.

Is there Co-op in the Business Program?

No. However, students will receive workplace experience in their last semester in BADM*4400 Applied Business Study. In addition, students have the option to take BADM*3500, Business Practicum for additional hours.

Will my degree and/or diploma note my area of emphasis?

Upon successful completion of 3.0 credits (6 courses) in a specific subject area, students may request to receive a notation on their Humber College diploma. Students may only declare ONE area of emphasis. Students are not required to declare an emphasis and may choose to take courses from several different subject areas.

Where can I go for more information?

Contact your Academic Advisor for more information on the Business Administration program. To set up an appointment with your Academic Advisor email advisors@guelphhumber.ca or call 416.798.1331, ext 6288. You can also visit the **LSP's** in the Learning Commons or feel free to email them at lsp@guelphhumber.ca.
