Does the University of Guelph-Humber meet the Chartered Professional Accountants of Ontario Professional Education Program prerequisite requirement?

This planning document is applicable for students considering a career as a CPA and **meets the CPA requirement** for admission into the **Professional Education Program (PEP)**. These prerequisites include an undergraduate degree and specific subject area coverage, found by visiting <https://www.cpaontario.ca/students/prerequisite-preparatory-courses/academic-prerequisites-post-secondary>. In addition to your undergraduate degree, students wishing to achieve the CPA designation will be required to complete additional courses post-graduation with CPA Ontario.

The requirements of the CPA are **subject to change** at any time. It is the responsibility of the student to remain informed about CPA admission requirements and course standards. Transfer students are strongly encouraged to confirm the process for determining credit for courses completed at more than one post-secondary institution.

I am a Transfer Student. How do I know which courses I can select?

Transfer Students should use this document, in conjunction with their **official credit assessment** to determine which courses they have the required pre-requisites to select. Transfer students should meet with their Academic Advisor to confirm the schedule they have developed in advance of the course selection dates.

Is there Co-op in the Business Program?

No. However, students are required to complete **100 hours of placement** in their last semester with **BADM*4400 - Applied Business Study**. In addition, students have the option to take **BADM*3300 - Business Workplace Learning** (420 hours) or **BADM*3500 - Business Practicum** (200 hours) for additional hours. If you have any questions about **BADM*3300**, **BADM*3500** or **BADM*4400**, please contact the **BBA Placement Coordinator** (career@guelphhumber.ca).

Will my degree and/or diploma note my Specialization?

Upon successful completion of **3.0 credits (6 courses)** in a specific subject area, students may request to receive a notation on their Humber College diploma. Students may only declare **ONE specialization**. Students are not required to declare a specialization and may choose to take courses from several different subject areas.
