UNIVERSITY OF
GUELPH
HUMBER

Important Information 2024-2025

What courses do I need **to complete** in order **to graduate**?

Students typically receive 10.0 transfer credits when entering the CSS transfer program. The remaining 10.0 credits of the degree are outlined on the second page of this document. Students must complete **9.5 core credits and 0.5 general elective credit** to be eligible to graduate. If you have received more than 10.0 credits, you are encouraged to consult with your Academic Advisor. Please refer to your Transfer Credit Assessment to confirm the credits form which you are exempt.

May I take a CSS course as an **elective**?

No. Electives are designed to give students breadth and depth in their studies.

May I take some of my courses **on campus** rather than online?

Potentially. You **can request** to take a course via a different delivery method. See your Academic Advisor for more information and assistance with planning and sequencing your courses.

Am I required to complete a **field placement**?

No. CSS students are **granted transfer credit** for all field placement courses in the program.

May I declare a **specialization**?

Transfer students admitted under an articulation agreement (block credit) are **not eligible** for a specialization.

Where can I go for **more information**?
